There are a lot of people who really enjoy relaxing with a good cigar. Cigars are known for celebrations, finalizing a deal or just relaxing with a friend. Don Tomas Cigars offer information on cigars, a variety of humidors and accessories. The site also offers Don Tomas Sun Grown Line which is a great smoke. Don Tomas Cigars also provides their customers with excellent service and products.

Don Tomas Cigars are actually designed by hand in Danli, Honduras since the 1970's they are deemed one the oldest labels in cigars. They are known for their mild-to-medium bodied taste and smooth structure. Don Tomas cigars are excellent in provided quality products and they have a good reputation for the best price in the world of premium cigars.

You can easily depend upon Don Tomas to have that best draw and burn mainly because of the high excellent handle standards in the quality of this stogie. The well-age tobacco was harvested in Central America providing the stogie with a rich and flavorful preference.

“Don Tomas Cigars would like to introduce to you Don Tomas Sun Grown line, one of the finest examples of a stand-out smooth structure cigar”, said Don Tomas Cigar's vice president of marketing, Chris Marshall. The line includes a crafted medium-brown sun grown wrapper regarded for its rich and spicy flavor that surround a quality blend of Nicaraguan and Honduran long filler tobacco. The flavor and scent will create a pleasant smoking knowledge for you. In the Sun Grown line you can try out all five to find that great match for your palate.
